

PARTOA

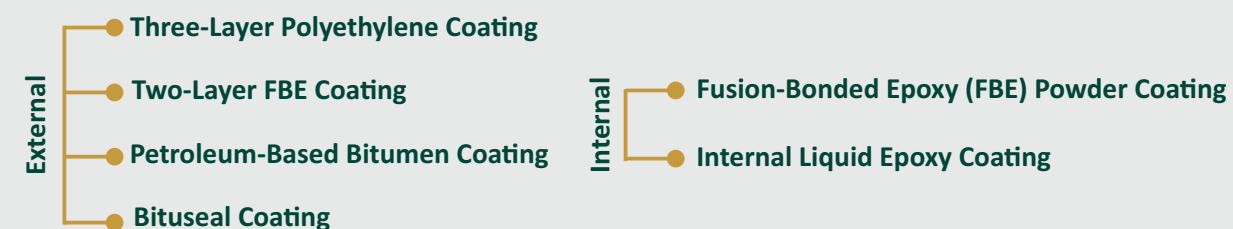

**A Sister Company to the Kalup Pipe Manufacturing Group
Specializing in Steel Pipe Coating**

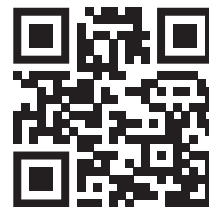

As an affiliated company within the Kalup Pipe Manufacturing Group, Partoa has established steel pipe coating facilities in the industrial centers of Saveh and Isfahan, Iran, to expand and complete its production capabilities.

Aligned with the ISO 9001:2015 quality management system, our production and quality assurance processes comply with international standards. Partoa is also listed on the Approved Vendor List (AVL) of the National Iranian Gas Company (NIGC) and is recognized as a trusted supplier to Iran's gas industry.
